

ACTION PLAN FOR THE REGIONAL ANIMAL WELFARE STRATEGY – ASIA, THE FAR EAST AND OCEANIA

Regional Animal Welfare Strategy Coordination Group

RAWS CG Meeting 6, Seoul, 26 August 2013

(RAWS Edition 2)

October 2013

What is the Regional Animal Welfare Strategy Action Plan?

The Regional Animal Welfare Strategy Action Plan (RAWS Action Plan) is a living document developed by the RAWS Coordination Group (RAWS CG) in 2012 to define and track activities under the RAWS. The RAWS Action Plan builds upon the previous RAWS Implementation Plan (RAWS IP), and is continually updated and amended by those with responsibilities under the plan, including:

- The RAWS CG
- The RAWS secretariat
- OIE Headquarters
- OIE Regional Representation
- OIE Sub-regional Representation
- OIE National Focal Points for Animal Welfare
- OIE Delegates

The RAWS Action Plan contains the activities and actions under the RAWS that are either currently underway or are yet to be progressed; items are removed upon completion.

Acronyms and Abbreviations

OIE	World Organization for Animal Health
RAWS	Regional Animal Welfare Strategy for Asia, the Far East and Oceania
WSPA	World Society for the Protection of animals

RAWS Action Plan Key	Timeframe/Status
	In progress/ongoing action
	To be progressed

No.	Action/Activity	Update	Timeframe/Status	Responsibility
Goal 1: Promotion and achievement of a high level of understanding and awareness of animal welfare in the region through effective coordination, communication, education and training				
Objective 1: To promote ownership of the strategy by all member countries of the region				
1	1.1 Publicising the existence of the strategy, and of welfare legislation, codes, standards, etc., using appropriate tools and mass media. Where necessary, these should be translated into national languages for clarity and understanding. <i>(Source: RAWS Activity)</i>	RAWS (Edition 2) translated from English into Thai, Malay, Tagalog, Chinese and Bahasa (October 2013)	Ongoing activity with medium term outcomes	OIE HQ OIE Regional Secretariat
2	1.2 Involving religious leaders and authorities, as well as leading public personalities, in the implementation of animal welfare programs. <i>(Source: RAWS Activity)</i>	At RAWSCG6 it was agreed that sensitisation of religious leaders would not be a prioritised RAWS project, as this is being pursued through mechanisms such as the AWWG/OIE HQ. At RAWSCGM5 it was agreed to increase private sector involvement.	Ongoing activity with medium term outcomes	OIE HQ RAWS CG National Focal Points
3	Develop a public communication network that will be a platform for improved, broad communication on animal welfare in consultation with all stakeholders. Individual countries to establish linkages to refine communications as necessary. <i>(Source: RAWS IP)</i>	At planning stage, priority for 2013 -14	Ongoing activity with medium term outcomes	National Focal Points RAWS CG
4	Post the RAWS on government and industry websites and share progress via other forms of communication <i>(Source: RAWS IP)</i>	RAWS (Edition 2) publicised in RAWS News and published on OIE and Australian Government websites, planning of a RAWS website is underway, and RAWS newsletter regularly published (October 2013)	Ongoing activity with medium term outcomes	RAWS CG National Focal Points

No.	Action/Activity	Update	Timeframe/Status	Responsibility
5	Disseminate the translated and English versions of the RAWS and information relating to animal welfare to OIE delegates, governments, industry, producer groups, NGOs and veterinary associations from the President of the OIE Regional Commission. <i>(Source: RAWS IP)</i>	RAWS (Edition 2) provided to President and delegates at Regional Commission meeting in Cebu, November 2013.	Ongoing activity with medium term outcomes	Secretariat Regional Commission National Focal Points
6	Identify an institution or agency that will coordinate the implementation of the RAWS in each member country or territory <i>(Source: RAWS IP)</i>	Secretariat to survey focal points and collate responses. NAWACS being developed to assist in the implementation of the RAWS.	Ongoing activity with long term outcomes	Secretariat National Focal Points
7	Publish regular articles on the RAWS and its implementation process and progress in the OIE Bulletin <i>(Source: RAWS IP)</i>	Part of the communications strategy presented to Regional Commission, November 2013	Ongoing activity with long term outcomes	Secretariat
8	Present seminars on animal welfare to stakeholders <i>(Source: RAWS IP)</i>	Already occurring through many organisations. Seminars should have a focus on implementation of OIE standards as well as social and economic benefits of improving welfare	Ongoing activity with medium term outcomes	ALL PARTIES
9	Promote regional government ownership of the RAWS through the engagement of ASEAN Plus Three, the South Asian Association for Regional Cooperation and South Pacific Countries through the inclusion of animal welfare on meeting agendas <i>(Source: RAWS IP)</i>	Seek additional support from agencies for implementation.	Ongoing activity with long term outcomes	Regional Commission OIE Regional OIE Sub-Regional
10	Involve religious leaders in implementation process to promote adoption of animal welfare standards and practices	N/a	Ongoing activity with long term outcomes	National Focal Points OIE Delegates

No.	Action/Activity	Update	Timeframe/Status	Responsibility
	<i>(Source: RAWS IP)</i>			
11	Select animal welfare 'ambassadors' from OIE member countries and territories to promote animal welfare <i>(Source: RAWS IP)</i>	Each committee/ agency to determine suitability for their country	Ongoing activity with long term outcomes	National Focal Points
12	Produce and circulate an animal welfare e-newsletter <i>(Source: RAWS IP)</i>	Formalised in communications strategy provided to the Regional Commission, Cebu, November 2013	Ongoing activity with medium term outcomes	Secretariat
13	Develop a database that identifies all animal welfare stakeholders and interest groups in the region <i>(Source: RAWS IP)</i>	Committees to determine	Ongoing activity with long term outcomes	RAWS CG Secretariat
14	Involve private companies in the promotion of animal welfare through using required production standards. <i>(Source: RAWS IP)</i>	National committees encouraged to engage private companies	Ongoing activity with long term outcomes	National Focal Points
Goal 1: Promotion and achievement of a high level of understanding and awareness of animal welfare in the region through effective coordination, communication, education and training				
Objective 2: To improve attitudes, skills and knowledge of all animal carers and handlers, with initial emphasis on farm animals				
15	2.1 Developing appropriate education and training tools based on customised needs of member countries and territories. <i>(Source: RAWS Activity)</i>	A pilot training course in animal welfare and handling was conducted in Malaysia. Opportunities for similar courses within the region are to be identified.	Ongoing activity with long term outcomes	OIE Sub-Regional
16	2.2 Promoting and facilitating the inclusion of animal welfare concepts and applications in		Ongoing activity with long term outcomes	OIE Collaborating Centre

No.	Action/Activity	Update	Timeframe/Status	Responsibility
	veterinary and animal science-related courses and curricula. (Source: RAWS Activity)			
17	Stocktake of existing education curricula, training resources and programs conducted by government, industry and NGOs in each country and territory for adaptation to local conditions (Source: RAWS IP)	Recommendation at RAWSCG6 to conduct scoping of a stocktake of education and training courses in the region, and feasibility of developing a database. Secretariat to report to Coordination Group at Meeting 7 (March 2014).	Ongoing activity with long term outcomes	Secretariat OIE Collaborating Centre National Focal Points
18	Examine the current delivery of training programs in member countries and territories to determine if programs can be improved (Source: RAWS IP)	N/a	Ongoing activity with medium term outcomes	National Focal Points
19	Use existing government (national, provincial and local) extension services to improve animal welfare (Source: RAWS IP)	N/a	Ongoing activity with medium term outcomes	National Focal Points
20	Provide recognition or certification for animal welfare training. Identify which countries require targeted education programs (Source: RAWS IP)	N/a	Ongoing activity with long term outcomes	National Focal Points OIE Collaborating Centre
21	Develop (or build on existing) curricula for animal science, animal handling, husbandry and veterinary science (Source: RAWS IP)	N/a	Ongoing activity with medium term outcomes	OIE Collaborating Centre National Focal Points
22	To promote adoption OIE Animal Welfare Standards according to stage of development of countries in region. (Source: RAWS IP)	N/a	Ongoing activity with long term outcomes	OIE Sub-Regional RAWS CG OIE Regional

No.	Action/Activity	Update	Timeframe/Status	Responsibility
23	3.1 Exploring different ways of consulting with the general community, including decision makers and legislators, on animal welfare issues of regional and national importance. <i>(Source: RAWS Activity)</i>	N/a	Ongoing activity with long term outcomes	OIE Regional
Goal 1: Promotion and achievement of a high level of understanding and awareness of animal welfare in the region through effective coordination, communication, education and training				
Objective 3: To raise the profile of animal welfare with stakeholders, including decision makers, legislators and educators				
24	3.2 Incorporating animal welfare issues and programs into public awareness campaigns related to animal health, food safety and production. <i>(Source: RAWS Activity)</i>	N/a	Ongoing activity with long term outcomes	National Focal Points
25	Engage and liaise with the World Health Organization, Food and Agriculture Organization of the United Nations, Senior Officials Meeting of the ASEAN Ministers on Agriculture and Forestry, UN Agriculture cluster and the OIE to raise the profile of animal welfare <i>(Source: RAWS IP)</i>	N/a	Ongoing activity with long term outcomes	OIE Sub-Regional OIE Regional Secretariat
26	Engage key industry groups in the promotion of the RAWS and OIE Animal Welfare Standards <i>(Source: RAWS IP)</i>	N/a	Ongoing activity with medium term outcomes	Secretariat National Focal Points RAWS CG
27	Promote regional government ownership of the RAWS through the engagement of ASEAN Plus Three, the South Asian Association for Regional Cooperation and South Pacific Countries through the inclusion of animal welfare on meeting agendas <i>(Source: RAWS IP)</i>	N/a	Ongoing activity with medium term outcomes	OIE Regional
28	Include animal welfare, RAWS and OIE Animal Welfare Standards on the programs of international meetings and conferences	Third OIE Global Conference on Animal Welfare held, Malaysia, 6-8 November 2012	Ongoing	OIE Regional OIE HQ

No.	Action/Activity	Update	Timeframe/Status	Responsibility
	<i>(Source: RAWS IP)</i>			National Focal Points Secretariat
29	Write articles on the RAWS and animal welfare issues in relevant publications <i>(Source: RAWS IP)</i>	Contributions provided to OIE Technical Review 34	Ongoing	Secretariat RAWS CG
30	Include animal welfare issues during missions of OIE officials to ministers or other policy makers <i>(Source: RAWS IP)</i>	N/a	Ongoing	OIE Sub-Regional OIE Regional
31	Initiate dialogues on animal welfare with legal and educational departments <i>(Source: RAWS IP)</i>	N/a		Secretariat National Focal Points
